### PRODUCT DESCRIPTION

The FMC J 1 212194 B Paper Jogger has the ability to hold two trays of checks at one time. With the additional tray capacity, this unit is ideal for institutions that handle large volumes of checks. For this reason, The FMC J 1 212194 B Paper Jogger is primarily used in banking operations. Other applications include preparing incoming mail for automatic opening in small scale mailrooms, accounting finance offices, or aligning statements and bill notices.
