PRODUCT DESCRIPTION

Hedman Co. US Dollar Bill Counter HC 106A
The Hedman HC 106A Bill Counter comes with a patented single built in dust removal system to get the dust out of the bills as the machine counts. The Hedman HC 106A Bill Counter only counts US bills. The Hedman HC 106A Bill Counter has easy to read operator variable pre settings for simple operation and easy currency bill counting. The HC 106A can be set to batch specific amounts for bank deposits and will stop counting when it detects short, chain, or half notes, and displays a flashing message to notify the user of the detection. Batching denominations of money is simple; just enter the amounts into the 10 digit numeric keypad and the machine will automatically stop when the selected pre set count is reached. FEATURES Hopper Capacity 300 sheets Counting Speed Approx. 1,200 notes minute Patented single built in dust removal system Operator variable presetting from 1 to 999 Preset batches of 10, 20, 25, 50 or 100 notes Counter large, easy to read LED display Alarm for double, short, chain or half note Enhanced self diagnostics OPTIONS Optional accessories for the Hedman HC 106A currency counter include the low cost remote display plus ultra violet, dual UV and magnetic counterfeit detection.
