### PRODUCT DESCRIPTION

The Kobra 385 SS4 shredder features a unique desk mounting assembly. It has the versatile ability to perform as a departmental tabletop shredder or a standard console model. At an added cost, a console stand can be purchased to attach onto the front of the machine. It has added capacity to strip shred up to 22 sheets of paper, including EDP computer print outs. It is equipped with a heavy duty chain drive with steel gears for years more shredding. It features an automatic start stop through an electronic eye and a stand by function for one handed shedding operations. The 385 SS4 paper shredder automatically stops and visual indicator lights notify the user when shred bag is full. The cutting head easily accepts paper clips and staples. An adjustable computer forms top shelf is available and attaches to the top of the machine for continuous hands free shredding.
