### PRODUCT DESCRIPTION

Widmer X99001 Deluxe Power Seal Embosser  
Widmer Heavy Duty Electric Seal Embosser can make raised imprint impressions of text and graphics in material surfaces. Use it everyday to make textured surfaces on business cards or invitations. Use the Power Seal to emboss single sheets, two part carbonized forms, and multiple sheets or certificates, diplomas, legal papers and business card stock. The easily adjustable stamping mechanism adjusts in seconds to accommodate 1 to 10 sheets of paper. For high volume embossing or certifying the Power Seal electric embosser will increase efficiency and save time. The stamping mechanism can be set to stamp at the same depth consistently and accurately. The seals can be designed from the most simple to the most complex. Seals can be from 1 5/8 inch to 2.5 inches in diameter. FEATURES Embosses on gold foil seal and on business card stock. Seal diameter ranges from 1 1/2 to 2 . Adjustable in seconds to accommodate 1 to 10 sheets of paper. Interchangeable dies can be changed in less than one minute. Adjustable guides side back can be set to ensure consistent impression placement on multiple documents. Very quiet. 90 days parts and labor warranty. SPECIFICATIONS More rugged Dimensions in inches 9 x 10 1/2 x 11 Weight 45 lbs
