PRODUCT DESCRIPTION

AcroTime Web Hosted Time and Attendance Solution Standard Edition Acroprint s web hosted solution, AcroTime Standard, is a Cloud based technology that can make using a Time and Attendance System very easy for everyone in a company. AcroTime resides in a remote data center where the software is stored and protected. Employers do not have to worry about installing, managing, or updating this software; Acroprint will do it for you. Administrators and Employees simply punch in and out via the internet to monitor or retrieve information. Employers that work from remote sites, can access the data anytime and anywhere. AcroTime is a quick and reliable Employee Time and Attendance tracking solution. Employees can punch in and out via a web browser, telephone or terminal. If you choose to use a Terminal, you can choose from these Acroprint Terminal Options that work with this Employee Time and Attendance System Acroprint timeQplus Proximity terminal TQ600P Acroprint timeQplus Biometric terminal TQ600B This reads a fingerprint. HandPunch 1000, 1000E and 3000E. Employers have the option to rent or purchase hardware. All hardware devices must be connected to a computer with Internet access to transmit data. All hardware usage requires a middleware installation; cost is 75 per device . This solution accommodates an unlimited number of employees, supervisors and administrators. A 30 day Free Trial full function, no limits with basic set up hardware not included in trial . Web solution requires a monthly subscription. Subscription cost includes 24x7x365 system monitoring, 800 toll free and email support Monday thru Friday 8AM to 5PM EST. Cost 1.75 per employee per month Minimum charge of 35.00 per month 75.00 Activation Fee 75 per hour Additional Training and Configuration Call us today for a quote to
