PRODUCT DESCRIPTION

DISCONTINUED Acroprint Timex T100 Electric Time Clock Easily track employee time and attendance and save up to 10% of payroll costs with the elimination of manual time card and payroll preparation with the new TIMEX branded time clock. This innovative TIMEX branded all digital time clock can help you decrease late arrivals and early departures, as well as reduce the number of errors resulting from manually tracking employees hours. The time cards are automatically positioned with the touch of a button, making punching in and out easy for employees, and eliminating errors caused by printing in the incorrect space. Stylish and easy to use, this Timex branded time clock is a valuable asset for any organization. Save time and money today with the TIMEX T100 Time Clock. Features Accommodates weekly or bi weekly pay periods. Maintains time in case of power outages. Automatic day date and month changes. Automatic Daylight Saving Time adjustment. Programmable print format day hour minute, 12 hour or 24 hour format. Mounts easily on wall or desktop. Two color printing highlights early or late punches. Programmable audio signal to indicate work start and stop times. Time card print matches digital display. Timex T100 Includes Timex T100 Time Clock One ribbon cartridge installed Keys Instructions Requires T111 time cards and T112 replacement ribbon WEIGHT 6 lbs
