PRODUCT FEATURES

200 Departments for sales analysis by category of merchandise. Program each department with a 12 character name or description; set for taxable or non-taxable items. Preset department pricing for quick, one-key sales entry. 2000 Price-Look-Ups (PLU) for quick, accurate entry of frequently sold items. Each PLU can be assigned a 12 character name. PLU reports print sales activity of each PLU. 40 Clerk ID System can program each clerk with a 24 character name or description. Accessory drawer Alpha Display has alphanumeric 1 line operator and 1 line customer display. Alpha display shows item descriptions during sales registration, scrolling text messages and

alphanumeric prompts in program mode for easy set-up.

Alpha Keyboard cuts programming time in half. Department keys are labeled with the letters needed to program the descriptions for PLU's, departments, clerks and various messages.

Cash, Check and Charge Sales keys.

Heavy-Duty Locking Cash Drawer with 5 slot bill and removable 5 slot coin tray.

Heavy-Duty Thermal Printer allows both alpha and numeric characters to be programmed to print on customer receipts or journal tapes. Thermal printer is fast and quiet. Uses 2 1/4" (57mm) thermal paper.

Optional Handheld Bar Code Scanner ensures fast and easy registration of items during check-out. Easy-to-use and convenient during sales check-out process and even during PLU set-up programming.

Scrolling Messages for as many as 5 different text messages up to 42 characters each to scroll across the customer display at various times.

Serial connection to connect the register to your PC or bar code scanner. Software includes a filter that downloads your end of day report totals directly to your QuickBooks Pro or Peachtree accounting programs.

Weight: 15 lbs.
