### PRODUCT DESCRIPTION

Acroprint ATRx Biometric 1000 Single 50 Time and Attendance Automated Software ATRx Biometric 1000 Single Time and Attendance Automated Software is software for 50 employee capacity. Accurate, reliable hand geometry biometrics ATRx Biometric 1000 Network prevents costly buddy punching by verifying the geometry of the hand. Your hand is your badge so you must be present to punch in. This complete time and attendance system provides an indisputable record of employee attendance, all with the added security of hand biometrics. ATRx Biometric 1000 Single 50 includes all the benefits and features of ATRx Biometric Enabled software for HandPunch powered by Attendance Rx, plus Cost effective No more reordering paper time cards or replacing lost or damaged badges. Your hand is your badge. Adds more money to your bottom line The ATRx Biometric 1000 package includes Network software for 50 employee capacity for ATRx Biometric HandPunch 1000 powered by Attendance Rx One HP1000 hand reader A communications cable for connecting the reader to your PC A Quick Start sheet A power transformer for the hand reader. The hardware comes with a one year warranty. ATRx Biometric 1000 is convenient and easy to use. Employees simply enter their assigned Personal ID number PIN on the HP1000 keypad and place a hand in the reader as illustrated on the reader's front panel. Accepted punches are confirmed by a green light and an Okay message, so employees know at a glance if their punch was successful. With a verification time of less than one second, it's quick and reliable. With the release of software version 2.3.20 and above, ATRx Biometric 1000 is Microsoft Windows Vista Business and Windows Vista Enterprise compliant.
