PRODUCT DESCRIPTION

RiBao LD 3 Counterfeit Detection Device Counterfeit Detection Machine The RiBao LD 3 Counterfeit Detection Device is an invaluable addition to any work place or home situation. When dealing with any currency, especially bills, it unfortunately is present day fact that there are plenty of Counterfeit Bills out there no matter where in the world you are or what currency you are using. Due to this sad fact you must be prepared to protect yourself and your investments. With ultraviolet and white fluorescent lamps, the RIBAO LD 3 Counterfeit Cash Detector has a magnetic sensor as well which makes it all the more capable of catching those Phony Bills that would have normally slipped by and cost you some hard earned money. The RiBao LD 3 Counterfeit Currency Detector can check the magnetic ink of any banknote and reassure you that all of your money is good.
