### PRODUCT DESCRIPTION

Dahle 20434 Level 6 High Security Paper Shredder The Dahle 20434 L6 Government Use Shredder is a powerful machine capable of reducing an 8 1/2 x 11 sheet of paper into over 15,500 tiny particles. Government agencies require higher levels of security from their paper shredders, leading to the U.S. Department of Defense increasing the requirements for the destruction of Top Secret COMSEC documents. Dahle High Security Shredders are specifically designed to exceed the standards set forth by the National Security Agency. The Dahle 20434 L6 Government Use Paper Shredder features automatic operation and will automatically shut off when the shred compartment is full.
