PRODUCT DESCRIPTION

ABE 800 FD 1 Fixed Die Manual Security Perforator Two Lines of Text The ABE 800 FD 1 manually operated, fixed die security perforator marks up to 12 documents at a time. This model has an adjustable 6 character die to print a range of letter variations. The 800 FD 1 perforator is manually operated requiring the pull of a handle to perforate the document set. The die block IS NOT removable. Its heavy duty alloy die casting ensures a long lasting life. Up to 6 characters can be imprinted per line and 1, 2 or 3 lines can be imprinted per document. Click on the supplies icon to view the most popular perforator plates..
