PRODUCT DESCRIPTION

Neolt FT310 Foam Trim Pro with Fixing Bar and Stand Special Order Only Foam Trim Pro, Horizontal Manual The Foam Trim Pro is the Big Gun in Manual Foam Trimmers. The hardened steel cutter head features an incrementally adjustable blade, facilitating cuts of from 10mm to 30mm. An aluminum guide rail precisely aligns the cutter head. A crank wheel operates the systems fixing bar which when engaged stabilizes the substrate being cut. An optional Laser Designator is available. The Laser Designator generates a florescent red cut line, designating precisely where the cutter blade will cut. The system comes with a stand, creating a work surface height of 35.8 inches. This is a special order unit check with us for lead times.
