PRODUCT DESCRIPTION

U.S. Paper Counters SHOOTER II High Speed In Line Tab Inserter and Paper Counter
 Designed to provide fast, accurate tab insertion at high speeds, the Shooter II can be mounted to your equipment or be free standing for mobility. The Shooter II accurately inserts paper tabs into the receding delivery pile of sheeters, presses, paper board machines and paper converting equipment. It can insert tabs at speeds of up to 3 tabs per second. The Shooter II can be easily connected to your equipment by using a micro switch, universal electronic coupling pick up or our optional infrared reflective opto sensor. Standard Features Tab insertion at speeds of up to 3 tabs per second
