PRODUCT DESCRIPTION

Dahle 30430 Level 5 Cross Cut Departmental Paper Shredder FREE SHIPPING Dock to Dock Known for its power and waste capacity, this Dahle Department Shredder provides a practical solution for accommodating the shredding needs of even the busiest offices. This is a security Level 5 machine and considered espionage safe for extremely high demands of document security. Its attractive design and large waste bin make this a nice addition to any large office, copy room or communications center. The Dahle 30430 has a maximum sheet capacity of 7 9 sheets at a time and features a large capacity waste bin capable of holding 35 gallons of shredded material. It features state of the art electronics that are easily controlled by a user friendly control pad. Soft touch buttons provide the ability to choose between auto on off, continuous run and reverse. LED status indicators display warnings for Door Open, Bag Full and Overfeed. Properly oiling this Department Shredder is the key to maintaining optimal performance.
