PRODUCT DESCRIPTION

Get higher cutting capacity with the HSM 225.2. This strip cut model is perfect as a central shredder for several workstations and is capable of shredding credit cards, CDs and floppy disks. The contemporary design compliments the work space. Continuous duty motor with thermal protection. Specially hardened solid steel cutters are unaffected by paper clips and staples. The large 11.8 throat handles up to 42 sheets in one pass. Modern electronics and easy emptying of shredding material make this a great choice for your centralized shredding needs. Features Wide 11.8 feed throat for big office shredding jobs. Automatic start stop control via electronic eye with standby operation. Auto reverse for overfed paper. Specially hardened solid steel cutters handle paper clips, staples and will even shred credit cards, CDs and diskettes. Patented safety flap increases operator safety.

Convenient pull out system for easy removal of collecting bag. Continuous duty motor with thermal protection. Easily movable on castors.
