PRODUCT DESCRIPTION

This Item Has Been Discontinued Martin Yale OLYMPIA UC5500 ScriptStroyer Pharmacy Pill Bottle Destroyer GSA Special Pricing Your customer s protection and privacy will no longer be a concern with the NEW ScriptStroyer. The new Martin Yale UC5500 Pharmacy Shredder is designed for instantly shredding empty pill bottles, cough medicine bottles and prescription labels. This shredder is conveniently designed to fit under the counter at a pharmacy checkout window. With HIPAA regulations shredding your patient s confidential prescription information is not an option. The UC5500 ScriptStroyer Shredder provides a convenient option for destroying this highly sensitive information without the need to outsource and without the risk that patient information will end up in the wrong hands. The UC 5500 Script Stroyer Shredder also offers the ability to shred up to 10 sheets of paper at at time and has no problem shredding adhesive labels. In fact, the UC 5500 Martin Yale ScriptStroyer Shredder uses a shredding head that is constantly bathed in oil. This prevents cough syrup, label adhesives and other residue from ruining the shredding head over time. The Martin Yale UC5500 ScriptStroyer Pharmacy Shredder is designed for instantly shredding empty pill bottles, cough medicine bottles and prescription labels with ease. This shredder is conveniently designed to fit under the counter at a pharmacy checkout window. The UC5500 ScriptStroyer Shredder meets HIPAA regulations and provides a convenient option for destroying this highly sensitive information without the need to outsource and without the risk that patient information will end up in the wrong hands. The UC 5500 Script Stroyer Shredder has the ability to shred up to 10 sheets of paper at at time including adhesive labels. The UC 5500 Martin Yale ScriptStroyer uses a shredding head that is
