### PRODUCT DESCRIPTION

Widmer 776N Automatic Number, Date, and Time Stamp Comes with one FREE Ribbon inserted into the Stamp. Choose a Blue, Black, Red, Green or Purple Ribbon. If you are scanning in color, Purple is the recommend color as it shows up best. Indicate your color choice in the Order Notes in the Shopping Cart. The Widmer 776N is versatile and unique. The 776N satisfies a broad range of applications. It can sign, validate, certify and date university and college transcripts, birth marriage certificates, and offers a one step solution to municipal, county, state and national government. The 776N offers two printing heads, which provide the ability to print numerous combinations of time, numbers, seal and dates, as well as Alpha Wheels for coding. Each print head can have up to 11 print wheels for a combined total of 22 wheels. The numbering wheels are available with consecutive, duplicate, triplicate or quadruplicate action but not a combination Insertion of the document activates the trigger for split second stamping. A large open throat allows for great accessibility. Documents from letter size to a small ticket may be inserted with ease. The printing location can be adjusted. The stamping pressure can be easily adjusted to accommodate multiple page forms. Tamper proof key lock allows only authorized personnel to change settings. An optional digital time display clock can be synchronized with the print mechanism and the operator can select minute and second displays by a simple button push. The sensitive trigger can be activated by even light weight paper instantly. The long life reversing ribbon can be changed easily and quickly with no fuss, no mess and no inky fingers. agencies. FEATURES Digital Display Dual printing heads Precise timing Accurate numbering Heavy penetration Lasting performance OPTIONS Electric security lock
